Sir,

Subject Creation of the post of a lorry Driver
on 20-1-30

5/1
I have the honour to state that there are four drivers of Motor Lorries in the Health section at present as against 5 lorries. One Babjan who was on the temporary establishment of the Health Section all these days, having applied for the post of a lorry driver, the Health Officer has recommended his case to be considered sympathetically in view of the long service he has put in for the appointment as lorry driver, a new post being created in grade 20-1-30 for the new lorry. The Managing Committee before whom the subject was placed resolved in their No 140 dated 13-12-45, that the post of an additional lorry driver may be sanctioned and that the grade pay of the new post of the existing one be fixed at 20-1-30, the present incumbent Sabjan being started on Rs 21/- in the grade with effect from 1-12-45 and ~~the~~ Babjan the applicant be appointed temporarily for six months as driver on Rs 20/- in the post to be created on 20-1-30. The Municipal Council also have ~~approved~~ approved of these proposals in their ordinary General Meeting held on 20-12-45.

I therefore request that necessary sanction may kindly be obtained for the revision of the scale of 20/- (fixed) into one of 20-1-30 and the creation of another post of 20-1-30 and to start the present incumbent on Rs 21/- in grade 20-1-30 and to appoint Babjan on Rs 20/- in grade 20-1-30 for the new post temporarily as resolved by the Council. Necessary proposition statement together with the copies of the resolutions accompanies

The extra cost on this account will be met out of the closing balance of the current year and necessary provision will be made in future budget

I have the honour to be,

Sir,

Your most obedient servant,

President
